Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	performing arts, music
Description or summary of the proposed project	The project aims to prepare events in which young musicians from different countries, not yet professional, but already possessing considerable skills, would cooperate on the preparation of concert programs presented in the countries of the project partners. These programs would be prepared under the supervision of performers specializing in modern repertoire, and would include both outstanding music from recent decades and the latest trends, including works commissioned for the project.
