Cultural operator – who are you?

Name and country	Cultural institution Delavski dom Trbovlje
Organisation type	<i>public organization,</i>
Scale of the organisation	<i>13 number of employees, latest annual turnover</i>
PIC number	948774946
Aims and activities of the organization	<i>Delavski dom Trbovlje is a public institution for culture that covers the organization of cultural, artistic and educational events. More than 10 years ago, Delavski dom Trbovlje, the central public institution in the field of culture in the municipality, embarked on a path of merging art, science, and economy. The annual Speculum Artium festival of new media culture represents the peak of efforts and serves as a display of the world's latest visual culture, while also offering critical insight into the technology of the present and future for the general public, who frequents the festival. However, we did not stop there: with projects such as the Virtual Museum of Mining '4th dritl', Interactive Tourism for All, and especially the Network of Research Arts and Culture RUK, we expand the topic of digitalization of culture and cultural heritage to a year-round activity, where we actively co-create. Our participation in the consortium Time Machine Europe, which brings together the most prominent names in the field of digital technologies, culture, and cultural heritage, further confirms our commitment to co-creating development in aforementioned fields and transferring knowledge about digital technologies to local stakeholders, while also providing the technical support for the implementation of their content.</i>
